Depart
Meet at DSBC at 7:15am on Monday, June 6. We will load our luggage and supplies and leave as quickly as possible. **We will not wait on you if you're late. If you're one of those people who is always late, you should plan to be at DSBC by 7:00am.**

We'll return to DSBC between 4-5pm. Students will call home when we know what time we'll be back so that parents can be here to pick them up.
NOBODY MAY LEAVE UNTIL ALL JOBS ARE DONE. With teamwork, it won't take but a few minutes to unload and clean out the vehicles.

For Parents
• Kevin's Phone Number: 864.630.9898
• We are currently looking for a full-time Family Pastor to minister to youth and students. If we have this person in place by the time of camp, you will be given updated contact information.
• Several of our adults will be going as chaperones, and you may contact those people, as well. (We will release these names before camp when things are certain.)
• The emergency phone number for SummerSalt at Charleston Southern University is 843-553-5896. This number dials straight to Charleston Southern University security and is for emergencies only.
• If you would like to send a letter or note to a camper, you may do so by mailing it to Charleston Southern University, campers name, name of the church, c/o SummerSalt, 9200 University BLVD, North Charleston, SC 29406.

CHAPERONE GUIDELINES

• One responsible male adult chaperone is required for every seven male students, and one responsible female adult chaperone is required for every seven female students.

• Chaperones should be mature and responsible Christian adults (21 years of age or older) who relate well with students. College students may be used as chaperones if they have the maturity needed and provided there is at least one adult chaperone 21 years of age or older with the group. College students acting as chaperones will need to attend the adult Bible study group.

• Be sensitive in ministering to your students on a one-on-one basis. Look for loners and those who are wrestling with problems and decisions. However, there is an expectation not to be alone with a student at any time.

• Each night there will be a time for church group devotions. We will provide devotional material that you may wish to use during this time, or you may plan your own if that better meets your needs. You might include a brief recap of the day, a prayer time, and a time for students to share their thoughts and feelings, especially as the week progresses. Plan for approximately 45 minutes each night. Suggestions for group devotions are a part of the adult Bible Study time.

• Your students won't have much chance to benefit from the week unless they participate fully and are alert. That means getting sleep and getting to all scheduled programs and activities. Chaperones will be sleeping in rooms with their students. Some may have as many as 6 to a dorm suite. Chaperones will need to help see that their assigned students are at their designated locations when they are supposed to be there.

• It's vital for all chaperones to understand, support, and fully enforce camp guidelines. Individual churches or chaperones do not have the privilege of adjusting the rules for their church or students. Such flexibility is not feasible when numerous groups are involved in a week at camp.

• Each day there will be a Bible study/information meeting for chaperones. All chaperones need to attend. This is not an optional time.

Requirements for Chaperones

• Everyone 18 and older, chaperones and students, MUST submit to a criminal background screening.

• The approved SCBC provider must complete this screening.

•No one convicted of a sexual offense will be approved to chaperone an event conducted by the SCBC.
